

How to create twitter account and follow Air University on twitter.

Signing up with Twitter

To create an account on the web:

1. Go to <http://twitter.com> and find the sign up box, or go directly to <https://twitter.com/signup>.
2. Enter your **full name**, **email address**, and a **password**.
3. Click **Sign up for Twitter**.

A screenshot of a web browser showing the Twitter sign-up page. The browser's address bar displays "https://twitter.com/signup". The page content includes the Twitter logo, a "Have an account? Log in" link, and a central sign-up form. The form is titled "Join Twitter today." and contains four input fields: "Full name" (with a placeholder "Enter your first and last name."), "Email address", "Create a password", and "Choose your username". Below these fields is a checked checkbox for "Tailor Twitter based on my recent website visits. Learn more." and a prominent yellow "Sign up" button. At the bottom of the form, there is a small disclaimer: "By signing up, you agree to the Terms of Service and Privacy Policy, including Cookie Use. Others will be able to find you by email or phone number when provided."

4. On the next page, you can select a **username** (usernames are unique identifiers on Twitter) — type your own or choose one we've suggested. We'll tell you if the username you want is available.
5. **Double-check** your name, email address, password, and username.
6. Click **Create my account**. You may be asked to complete a Captcha to let us know that you're human.
7. Twitter will send a **confirmation email** to the email address you entered. Click the link in that email to confirm your email address and account.
- 8.

Tips for picking a username:

- Your **username** is the name your followers use when sending @replies, mentions, and direct messages.
- It will also form the URL of your Twitter profile page. We'll provide a few available suggestions when you sign up, but feel free to choose your own.
- **Please note:** You can [change your username](#) in your account settings at any time, as long as the new username is not already in use.
- Usernames **must be fewer than 15 characters** in length and cannot contain "admin" or "Twitter", in order to avoid brand confusion.
